The IASK Board would like to extend a warm invitation to the 3rd International Meeting of Associations in Amsterdam - January 16th 2016!!

As a group, we are working towards increased recognition and awareness of specialized/energetic kinesiology. By meeting together we are creating international standards and ideals, forming partnerships and exchanging information that can help both well-established and new associations. We are attempting to put together a database of research that can be accessed by SK practitioners everywhere, as well as a directory of speakers from all countries, who would be available for Conferences and Meetings.

We hope that you will consider spending time with us at this event co-sponsored with our Dutch associate member Beroepsvereniging voor Kinesiologie (BvK). IASK Annual General Meeting will follow this third international meeting of associations. **Please respond if you want to add anything to the agenda below before January 8th**. Please send your proposals directly by e-mail to Nicolette Peyre (npeyre@skynet.be). You will find all the details of the venue on our blog: www.kinescbc.blogspot.com and website: www.iask.org :-). Rooms at the venue [Hotel Park Plaza Vondelpark](#) are at a special rate until November 30th. Use this code when booking: MEET113116

If you cannot come this year, we hope you can come next year. We are very pleased to announce **the 30th anniversary of IASK**, with a **big conference** organized **with AKSI**, our Italian associate member, **May 4-7 2017 in Italy**. Make sure you get a chance to be there to celebrate together!
