Adding a New Directory Entry

You are now able to add a new directory listing to the site so that your details come up for anyone looking for a IASK Kinesiologist by country.

To create your entry go to the Directory click on the Directory page link on the top menu, this takes you to page shown below.

Guidelines for Directory Listings

Directory listings should be as clear and concise as possible and include the basic information of what country you are in, what modalities you work with primarily and what modalities, if any, you teach. Adding modality names in the Tags section will allow people to find you easily when they are searching for something specific.

No profanity or inappropriate language will be tolerated. No wording that is overtly self promotional. It is illegal to discriminate against anyone based on religion, race, gender or sexual orientation. Please ensure that the picture you attach is of good quality and appropriate for this website.

All listings are subject to approval from website admin before showing publicly. If you are having trouble with your listing, please contact us: iaskboard@gmail.com for assistance. Only current up-to-date members will be listed on the Directory. Click [here](#) to join us
